

## **Central and North West London NHS Foundation Trust**

- We provide a wide range of services to treat people with a variety of health needs. In broad terms, these include common physical health problems, long-term conditions, mental health, learning disabilities, eating disorders, addictions and sexual health. We are here to provide support for people through every stage of life.

## **Central London Community Healthcare NHS Trust**

- We provide community health services to more than two million people across ten London boroughs and Hertfordshire.
- Every day, our professionals provide high quality healthcare in people's homes and local clinics, helping them to stay well, manage their own health with the right support and avoid unnecessary trips to, or long stays in hospital.

## **Central London Healthcare**

- CLH and our member practices serve a population of over 200,000 people, with the day-time population including workers and tourists may be up to 1 million. The area has a large population of young working age residents and very few children, as well as high levels of international migration and cultural diversity, with rich and poor living side by side

## **Chelsea & Westminster Hospital NHS Foundation Trust**

- We also offer a range of community based services, including our award winning sexual health and HIV clinics across London.
- With 5,000 staff caring for nearly one million people locally, regionally, nationally and internationally, we provide a range a specialist clinical services as well as general hospital services for people living locally, which include A&E and maternity at both our hospital sites.

## **Connect Health**

- Connect Health is the largest, independent provider of integrated community MSK (musculoskeletal) services (including orthopaedics, pain and rheumatology) in the UK, serving over 300k NHS patients pa across 19 CCGs and 100+ businesses.

## **DMC**

- DMC stands for Dulwich Medical Centre, The DMC Community Dermatology Service provides consultant-led, community-based care and advice to NHS patients registered within Hammersmith and Fulham CCG.
- 
- They assess and treat a variety of skin problems, delivering high standards of care closer to home and reduce unnecessary hospital appointments.

## **Ealing CCG**

- NHS Ealing Clinical Commissioning Group was set up to enable local GPs and other clinicians to plan and decide on the provision of health services for local residents
- NHS Ealing Clinical Commissioning Group works in partnership with local people to improve the health and wellbeing of the population of Ealing and deliver excellent health care services in our borough

### **Ealing Hospital UCC**

- Urgent care centres are an alternative to A&E, treating both children and adults. Urgent care centres provide treatment for minor injuries and illnesses that are urgent but not life threatening

### **Greenbrook Healthcare**

- Greenbrook Healthcare is a provider of high quality NHS primary care across London and the Home Counties. Our services span Urgent Care Centres, Walk-in Centres, GP practices, as well as some services to help avoid unnecessary admissions to hospital.

### **Healthshare Clinical Services**

- We are an entirely clinically-led team with a passion for improving the effectiveness of NHS care. Formed in 2009 from a core of ex-NHS clinicians determined to innovate and develop services built on the latest evidence and exceptional care, we have grown to be one of the largest providers of community-based care working exclusively with the NHS.

### **Hounslow and Richmond Community Healthcare Trust**

- Community healthcare covers most of the services that are provided outside of hospital or GP surgeries. We provide a range of services for both adults and children including community nursing, health visiting, physiotherapy, nutrition and dietetics, health promotion and stop smoking services, speech and language therapy and occupational therapy. We also provide some specialist services such as audiology, neuro-rehabilitation, continence services and continuing care.

### **Imperial College Healthcare NHS Trust**

- We are an NHS Trust of 10,000 people, providing care for around a million people every year, in our five hospitals and a growing number of community services in North West London. We have a rich heritage and an ambitious vision for the future of our patients and local communities. We want you to know all about who we are, what we do and where we are heading.

### **London and Central West Unscheduled Care Collaborative**

- We provide other GP-led services including urgent care services in a number of hospitals. LCW UCC is also commissioned by a number of Brent local GP practices to provide Out of Hours services.

### **London North West Hospital NHS Trust**

- Our team of 9,000 staff cares for a population of over one million people in and out of hospital.
- Formed in 2014, we are one of the biggest integrated healthcare trusts in the country – that means we care for you at home, in the community and in hospital.

### **West London Mental Health NHS Trust**

- West London NHS Trust is one of the most diverse providers of NHS mental and physical health care in the UK. We deliver services in community, inpatient, specialist and forensic (secure) settings, across 30 main sites.
- We care for more than 99,000 people every year, serving a local population of 800,000 in:
  - Ealing
  - Hammersmith & Fulham
  - Hounslow

### **West Middlesex Hospital UCC**

- Urgent care centres are an alternative to A&E, treating both children and adults. Urgent care centres provide treatment for minor injuries and illnesses that are urgent but not life threatening

### **West Middlesex University Hospital NHS Trust**

- We offer a range of community based services, including our award winning sexual health and HIV clinics across London

### **NW London Extended Hours Hubs**

- - Residents across North West London now have access to GP and practice nurse appointments from 6.30pm-8pm (6pm-9pm in Brent, Kensington and Chelsea, Queen's Park and Paddington), Monday to Friday and from 8am-8pm on Saturday, Sunday and Bank Holidays
- **GP practices within Ealing, Central London, West London, Hounslow and Hammersmith and Fulham CCGs**
