

Central London Community Healthcare Trust

- We provide community health services to more than two million people across ten London boroughs and Hertfordshire.
- Every day, our professionals provide high quality healthcare in people's homes and local clinics, helping them to stay well, manage their own health with the right support and avoid unnecessary trips to, or long stays in hospital.

Belmont Walk in Centre

- Walk-in centres and urgent care centres (UCCs) are an alternative to accident and emergency (A&E) departments.
- They are centres that treat minor illnesses and injuries and you do not need an appointment. Just walk in and you will be seen by an experienced nurse or a GP.
- Walk in centres can treat a range of minor illnesses and injuries including:
 - infections and rashes
 - emergency contraception
 - stomach aches
 - vomiting and diarrhoea
 - hay fever
 - insect and animal bites
 - dressing care (not routinely)
 - minor cuts and bruises
 - minor burns and strains

Harrow Health CIC

- Harrow Health CIC's primary business is the delivery of bespoke healthcare via community based clinics and has successfully operated since 2007. Our aim is to provide high quality patient care, enhancing patient experience by providing excellent clinical effectiveness in a safe environment.

London North West Hospital Trusts

- Our team of 9,000 staff care for a population of over one million people in and out of hospital.
- Formed in 2014, we are one of the biggest integrated healthcare

trusts in the country – that means we care for you at home, in the community and in hospital.
