

Sharing your information to improve care

Your choice

If you do not wish for your information to be shared via the Whole Systems Integrated Care tools, you can complete the below form and return it to your GP.

If you are happy to share your information

- Information about you is shared with health and care professionals providing care to you.
- Information (without your personal details) is shared anonymously with health and social care organisations to plan local services and improve care for everyone.

If you **do not want to share**, please complete the form below.

Please complete in **BLOCK CAPITALS**
