Summary of Key Decisions:

Decision ref	Key Decisions
1	Agreed to explore possibility of moving CAG meetings to another day to boost attendance
2	Agreed that using WSIC for reporting on Tuberculosis patients via Public Health England data is not possible due to use of different code sets
3	Request from Mark Levy to explore bringing air pollution data into WSIC. Noted that this would need governance approval before WSIC team can commence technical work
4	Noted that planned rebulks of GP data could take a number of weeks due to Apollo limitation of providing 25 rebulks/week

Summary of actions arising:

Action ref	Action	Owner	Due date
1	WSIC team to show Traffic view of Web Analytics dashboard at next meeting		
2	WSIC team to explore options around single sign-on to the WSIC dashboards		
3	WSIC team to circulate summary of submitted RFCs for approval and prioritisation
